A Note from Our President:

Fellow Woodcarvers..

Happy Spring and lets hope it continues. I know it's March and all, but we deserve warm, sunny weather without that white stuff. One sure sign of a happy spring: we are fast approaching the Rochester Woodcarvers Show! Please attend the show on March 20 and 21 from 10:00AM to 4:00PM each day. There will be a huge number of raffle items to win and many friends to see and visit. I am hoping for a beautiful day so we have a great turnout. I'd like to see everyone out and about at the show, but I will not be attending, due to two confirmations on Sat afternoon. I'll miss you! Hope it is one of the best shows ever! Tell me about your experience.

We will meet again on April 17th for our monthly meeting. I hope to catch up with folks then. We will see how well we did at our show. Remember, Nick will be presenting his engraver he uses to make his intricate designs in wood and eggs. I can't wait to see what else he has done. Hope to see you then. Until then, enjoy the continued warm weather (hope, hope!).

Laurie Reed

In our February meeting, Dick Krom presented to us his **Carving to Preserve the Past.**

A fun presentation, with some amazing pieces of work! Thanks, Dick! You are welcome to meet with us anytime you're in our area! Good work! Good presentation!

Show - N - Tell: I'll have to include the listings in the next newsletter. Don't have my act together at this late date! Sorry!

See you at the show this weekend!
